Known • Valued • Purposed

The Bible tells us, "The earth is the Lord's, and everything in it". Yet He trusts us to take care of His creation. We do that by taking responsibility. From the work we need to accomplish, to people we meet, to the words we use; life is filled with moments where we can decide to reflect God's character, take responsibility, and use what we have wisely.

This month in KidZone we will learn how to take responsibility! We will learn how we are expected to share, treat others with respect, use words wisely, and make the most of what we are given. It will be an important month to start our year together in KidZone.

KidZone (Kindergarten - 6th grade) will reopen next week with identical services at 9 & 10:30 AM. Therefore, families will choose to attend one service or the other. Masks will be required. All kids will be picked up after the 9 AM service and KidZone will be cleaned & sanitized. No Sunday school or Wed Activate at this time.
