Advent is an intentional season marked by reflections on hope, peace, joy, and love as we remember and anticipate the coming of Christ, but Advent is not marked only by reflection and waiting. During this uniquely Christian season, disciples of Jesus are also called to act in specific ways that, however small, God wants to use for Kingdom purposes.

If you would like to purchase the devotional book that will align with the Weekly Advent Sermons, please scan the QR code here. You may also pay for a book in the Church Office. Books are \$8.00 each through the church or \$12 + shipping if you order on your own.
